

Dancing On My Own – Calum Scott

Somebody said you got a new friend
But does she love you better than I can?
And there's a big black sky over my town
I know where you're at, I bet she's around
And yeah I know it's stupid
But I just gotta see it for myself

I'm in the corner, watching you kiss her
Oh oh oh
And I'm right over here
Why can't you see me?
Oh oh oh
And I'm giving it my all
But I'm not the guy you're taking home
Oooh
I keep dancing on my own
Nah

I just wanna dance all night
And I'm all messed up, I'm so out of line
Yeah
Stiletos and broken bottles
I'm spinning around in circles

And I'm in the corner. watching you kiss her
Oh oh oh
And I'm right over here
Why can't you see me?
Oh oh oh
And I'm giving it my all
But I'm not the guy you're taking home
Ooh
I keep dancing on my own
And oh, nah

So far away, but still so near

The lights come on, the music dies
But you don't see me standing here
I just came to say goodbye

I'm in the corner, watching you kiss her
Ohh
And I'm giving it my all
But I'm not the guy you're taking home
Oooh
I keep dancing on my own
And oh, nah
Said I'm in the corner, watching you kiss her
Oh no
And I'm right over here, why can't you see me?
Oh no
And I'm giving it my all
But I'm not the guy you're taking home
Ooh
And I keep dancing on my own

So far away, but still so near
The lights come on, the music dies
But you don't see me standing here
