

# Feels (feat. Pharrell Williams, Katy Perry, Big Sean – Calvin Harris)

Hey!

Now, nothing ever last forever, no

One minute you're here

And the next you're gone

So I respect you, wanna take it slow

I need a mental receipt

To know this moment I owe

Do you mind if I steal a kiss, tho?

(Chop, chop)

A little souvenir, can I steal it from you?

To memorize the way you shock me

The way you move it here (hey)

Just wanna feel it from you (hey)

Don't be afraid to catch feels

Ride drop top and chase thrills (hey)

I know you ain't afraid to pop pills (hey)

Baby, I know you ain't scared to catch feels

Feels with me

I'm your window shopper,

Sucker for your love, oh

I'm wearing your goggles, virtual reality

It ain't what it cost you,

It might be a dollar

As long as it shocks you, memory, electricity

Do you mind if I steal a kiss, tho?

(Chop, chop)

A little souvenir, can I steal it from you?

(Oh, yeah)

To memorize the way you shock me (yeah)

The way you move it here (hey)

Just wanna feel it from you (hey)

Don't be afraid to catch feels (ha)

Ride drop top and chase thrills

(oh-oh-oh, oh)

I know you ain't afraid to pop pills (hey)

Baby, I know you ain't scared  
To catch feels (straight up)  
Feels with me (woah)  
Goddamn, I know you love  
To make an entrance (babe)  
Do you like getting paid  
Or getting paid attention? (Like, woah)  
You mixed the wrong guys  
With the right intentions  
In the same bed,  
But it still feel long distance (yeah, yeah)  
She's looking for a little more consistency  
(I know)  
But when you stop looking,  
You gon' find what's meant to be  
And honestly, I'm way too done with the hoes  
(no)  
I cut off all my exes for your x and o's  
I feel my old flings was just preparing me  
(me)  
When I say I want you, say it back, parakeet  
(par')  
Fly in first-class through the air, Airbnb  
(woah)  
I'm the best you had, you just be comparing  
Me to me (woah)  
I'ma at this at you,  
If I put you on my phone (woah)  
And upload it, it'll get maximum views  
I came in through in the clutch  
With the lipsticks and phones  
Wear your fave cologne just to get you alone  
Don't be afraid to catch feels (ha)  
(Don't be afraid to catch these feels)  
Ride drop top and chase thrills (yeah)  
(Yeah yeah, yeah yeah, yeah yeah)  
I know you ain't afraid to pop pills (I know)  
Baby, I know you ain't scared to catch feels  
(Woah, woah, woah)  
Feels with me

Don't be afraid to catch feels (no, no)

Don't be afraid, baby

Don't be afraid

Ride drop top and chase thrills (woah, okay)

I know you ain't afraid to pop pills

I know, I know, I know

Baby, I know you ain't scared to catch feels

Feels with me
