

I Need Your Love ft. Ellie Goulding – Calvin Harris

I need your love
I need your time
When everything's wrong
You make it right

I feel so high
I come alive
I need to be free with you tonight
I need your love

I need your love

I take a deep breath every time I pass your door
I know your there but I can't see you anymore
And that's the reason, you're in the dark
I've been a stranger ever since we fell apart

And I feel so helpless here
Watch my eyes are filled with fear
Tell me, do you feel the same?
Hold me in your arms again

I need your love
I need your time
When everything's wrong
You make it right

I feel so high
I come alive
I need to be free with you tonight
I need your love

I need your love

Am I dreaming, will I ever find you now?

I walk in circles but I'll never figure out
What I mean to you, do I belong?
I try to fight this, but I know I'm not that strong

And I feel so helpless here
Watch my eyes are filled with fear
Tell me, do you feel the same?
Hold me in your arms again

I need your love
I need your time
When everything's wrong
You make it right

I feel so high
I come alive
I need to be free with you tonight
I need your love

I need your love

All the years, all the times
You have never been to blame
And now my eyes are open
And now heart is closing

And all the tears, all the lies
All the ways, I've been trying to make a change
And now my eyes are open

I need your love
I need your time
When everything's wrong
You make it right

I feel so high
I come alive
I need to be free
