

Never Let Go – Camel

Crazy preachers of our doom
Telling us there is no room
Not enough for all mankind
And the seas of time are running dry
Don't they know it's a lie

Man is born with the will to survive,
He'll not take no for an answer
He will get by, somehow he'll try,
He won't take no, never let go, no

I hear them talk about Kingdom Come,
I hear them discuss Armageddon
They say the hour is getting late,
But I can still hear someone say,
That is not the way

Man is born with the will to survive,
He'll not take no for an answer
He will get by, somehow he'll try,
He won't take no, never let go, no

Man is born with the will to survive,
He'll not take no for an answer
He will get by, somehow he'll try,
He won't take no, never let go
Never let go, never let go
Never let go, never let go, no
