

# Crying in the Club – Camila Cabello

You think that you'll die without him  
You know that's a lie that you tell yourself  
Your fear that you lay alone forever now  
Ain't true /3x  
No!

So put your arms around me tonight  
Let the music lift you up  
Like you've never been so high  
Open up your heart to me  
Let the music lift you up  
Like you've never been so free  
Till you feel the sunrise  
Let the music warm your body  
Like the heat of a 1000 fires  
The heat of a 1000 fires

Ain't no crying in the club  
Let the beat carry your tears as they fall baby  
Ain't no crying in the club  
With a little faith, your tears turn to ecstasy  
Ain't no crying in the club /3x

You may think that you'll die without her  
But you know that's a lie that you told yourself  
You fear that you'll never meet another so pure  
But it  
Ain't true /3x  
No!

So put your arms around me tonight  
Let the music lift you up  
Like you've never been so high  
Open up your heart to me  
Let the music lift you up  
Like you've never been so free

Till you feel the sunrise  
Let the music warm your body  
Like the heat of a 1000 fires  
The heat of a 1000 fires

Ain't no crying in the club  
Let the beat carry your tears as they fall baby  
Ain't no crying in the club  
With a little faith, your tears turn to ecstasy  
Ain't no crying in the club /3x

You think that you'll die without him  
You know that's a lie that you tell yourself  
Your fear that you lay alone forever now  
Ain't true /3x  
No!

I said ain't no  
Ain't no crying  
Ain;t no crying in the club, no crying  
/2x

Ain't no crying in the club  
Let the beat carry your tears as they fall baby  
Ain't no crying in the club  
With a little faith, your tears turn to ecstasy  
Ain't no crying in the club /3x
