

# Liar – Camila Cabello

I don't care if you're here  
Or if you're not alone  
I don't care, it's been too long  
It's kinda like we didn't happen  
The way that your lips move  
The way you whisper slow  
I don't care, it's good as gone  
Ah

I said I won't lose control, I don't want it  
I said I won't get too close, but I can't stop it

Oh no, there you go, making me a liar  
Got me begging you for more  
Oh no, there I go, start another fire  
Oh no, no  
Oh no, there you go  
You're making me a liar  
I kinda like it though  
Oh no, there I go, start another fire  
Oh no, no

You're watching, I feel it  
I know I shouldn't stay  
I picture your hands on me  
But what if you kiss me?  
And what if I like it?  
And no one sees it

I said I won't lose control, I don't want it  
I said I won't get too close, but I can't stop it

Oh no, there you go, making me a liar  
Got me begging you for more  
Oh no, there I go, start another fire  
Oh no, no

Oh no, there you go  
You're making me a liar  
I kinda like it though  
Oh no, there I go, start another fire  
Oh no, no

Oh no, no, no  
Yeah, here comes trouble, no, no  
Start another fire

I don't believe myself when I  
Say that I don't need you, oh  
I don't believe myself when I say it  
So, don't believe me

Oh no, there you go  
You're making me a liar  
Got me begging you for more  
Oh no, there I go, start another fire  
Oh no, no  
Oh no, there you go  
You're making me a liar  
I kinda like it though  
Oh no, there I go, start another fire  
Oh no, no

Yeah  
Uh, yeah, yeah  
Nah, yeah  
Oh no, no, no  
Oh no, no, no  
Oh no, you're making me a liar  
'Cause my clothes are on the floor

Huh, huh, huh  
Uh  
Oh no, no, no  
Another fire
