## The Great Commandment – Camouflage

Some people suppress you They partch you and reap a disaster Reeducation for the infants Who demanded for an innocent instance The great commandment shows the contempt Between the world and their **Embarrassing pavement** Believe the scholars, read the readings Realize the man who says anything The great commandment The needies believe you They treat you Like survivor of a disaster Reeducation for the infants Who demanded for an innocent instance The great commandment shows the contempt Between the world and their **Embarrassing pavement** Believe the scholars, read the readings Realize the man who says anything The great commandment shows the contempt Between the world and their **Embarrassing pavement** Believe the scholars, read the readings Realize the man who says anything The great commandment
