

# Wouldnt change a thing – Camp Rock 2

It's like, he doesn't hear a word I say  
His mind is somewhere far away  
And I don't know how to get there  
It's like all he wants is to chill out  
He makes me wanna pull all my hair out  
Like he doesn't even care  
You  
We're face to face  
But we don't see eye to eye  
Like fire and rain  
You can drive me insane  
But I can't stay mad at you for anything  
We're Venus and Mars  
We're like different stars  
You're the harmony to every song I sing  
And I wouldn't change a thing  
Why does he try to read my mind?  
It's not good to psychoanalyze  
That's what all of my friends say  
You  
We're face to face  
But we don't see eye to eye  
Like fire and rain  
You can drive me insane  
But I can't stay mad at you for anything  
We're Venus and Mars  
We're like different stars  
But you're the harmony to every song I sing  
And I wouldn't change a thing

When I hold on, he just lets go  
We're perfectly imperfect  
But I wouldn't change a thing, no  
Like fire and rain  
You can drive me insane  
But I can't stay mad at you for anything

We're Venus and Mars  
We're like different stars  
But you're the harmony to every song I sing  
And I wouldn't change a thing  
But I can't stay mad at you for anything  
We're Venus and Mars  
We're like different stars  
But you're the harmony to every song I sing  
And I wouldn't change a  
Wouldn't change a thing
