

# Dark ages – Carl Johan Grimmark

In the time, when darkness ruled  
No one saw the light  
In the cold black emptiness  
Victims of the night  
You can't fight what you can't see  
To be or not to be  
In dark ages  
In the dark ages  
Those evil days will still remain  
Till someone breaks the chains  
Just the strong survive  
You have to try, or you will die  
In Dark ages  
In the Dark ages  
In the Dark ages
