

Last Christmas – Carly Rae Jepsen

Once bitten and twice shy
I keep my distance
But you still catch my eye
Tell me baby
Do you recognize me?
Well
It's been a year
It doesn't surprise me
Merry Christmas
I wrapped it up and sent it
Merry Christmas
With a note saying "I love you"
I meant it
Now I know what a fool I've been
But if you kissed me now
I know you'd fool me again

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special
Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

A crowded room
Friends with tired eyes
I'm hiding from you
And your soul of ice
My god I thought you were
Someone to rely on

Me?

I guess I was a shoulder to cry on

A face on a lover with a fire in his heart

A man under cover but you tore me apart

Merry Christmas

Merry Christmas

Now I've found a real love you'll never fool me again

Last Christmas

I gave you my heart

But the very next day you gave it away

This year

To save me from tears

I'll give it to someone special

Last Christmas

I gave you my heart

But the very next day you gave it away

This year

To save me from tears

I'll give it to someone special

Special, special
