Last Christmas - Carly Rae Jepsen

Once bitten and twice shy I keep my distance But you still catch my eye Tell me baby Do you recognize me? Well It's been a year It doesn't surprise me Merry Christmas I wrapped it up and sent it Merry Christmas With a note saying "I love you" I meant it Now I know what a fool I've been But if you kissed me now I know you'd fool me again

Last Christmas

I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special
Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

A crowded room
Friends with tired eyes
I'm hiding from you
And your soul of ice
My god I thought you were
Someone to rely on

Me?

I guess I was a shoulder to cry on

A face on a lover with a fire in his heart
A man under cover but you tore me apart
Merry Christmas
Merry Christmas
Now I've found a real love you'll never fool me again

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special
Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears

I'll give it to someone special

Special, special
