

# A night like this – Caro Emerald

From where you are,  
you see the smoke start to arrive  
where they play cards.  
And you walk over,  
softly movin' past the guards.  
The stakes are gettin' higher,  
you can feel it in your heart.

He calls you bluff.  
He is the ace you never thought  
he'd play that much.  
And now it's more than all his cards  
you want to touch.  
You'll never know if winnin' this  
could really be enough.

Take a look beyond the moon,  
you see the stars.  
And when you look around,  
you know the room by heart.

I have never dreamed it.  
Have you ever dreamed a night like this?  
I cannot believe it.  
I may never see a night like this  
when everything you think is incomplete,  
starts happening  
when you are cheek to cheek.  
Could you ever dream it?  
I have never dreamed,  
dreamed a night like this.

How many times  
have I been waiting by the door  
to hear these chimes,  
to hear that someone debonair

has just arrived.  
And opened up to see my world  
before my eyes.  
That silhouette  
creates an image and a night I can't forget.  
It has the scent of something special  
I can't rest.  
If I resist temptation, oh I know for sure that  
I will lose the best.

I walk away and suddenly it seems  
I'm not alone.  
In front of me he stands,  
I stop before he goes.

I have never dreamed it.  
Have you ever dreamed a night like this?  
I cannot believe it.  
I may never see a night like this  
when everything you think is incomplete,  
starts happening  
when you are cheek to cheek.  
Could you ever dream it?  
I have never dreamed,  
dreamed a night like this.

Ooh, ooh, ooh, ooh ...  
Oooh, ooh, ooh, ooh ...

I have never dreamed it.  
Have you ever dreamed a night like this?  
I cannot believe it.  
I may never see a night like this  
when everything you think is incomplete,  
starts happening  
when you are cheek to cheek.  
Could you ever dream it?  
I have never dreamed,  
dreamed a night like this.
