

Everytime We Touch – Cascada

I still hear your voice when you sleep next to me
I still feel your touch in my dreams
Forgive me my weakness,
But i don't know why
Without you it's hard to survive

Cuz everytime we touch,
I get this feeling
And everytime we kiss i swear i could fly
Can't you feel my heart beat fast,
I wan't this to last, need you by my side
Cuz everytime we touch,
I feel the static
And everytime we kiss i reach for the sky
Can't you hear my heart beat so,
I can't let you go
Want you in my life

Your arms are my castle, your heart is my sky
They wipe away tears that i cry
The good and bad times
We've been through them all,
You make me rise when i fall

Cuz everytime we touch,
I get this feeling
And everytime we kiss i swear i could fly
Can't you feel my heart beat fast,
I wan't this to last, need you by my side
Cuz everytime we touch,
I feel this static
And everytime we kiss i reach for the sky
Can't you hear my heart beat so,
I can't let you go want you in my life

Cuz everytime we touch,

I get this feeling
And everytime we kiss i swear i could fly
Can't you feel my heart beat fast,
I wan't this to last, need you by my side
