Everytime We Touch – Cascada

I still hear your voice when you sleep next to me I still feel your touch in my dreams Forgive me my weakness, But i don't know why Without you it's hard to survive

Cuz everytime we touch, I get this feeling And everytime we kiss i swear i could fly Can't you feel my heart beat fast, I wan't this to last, need you by my side Cuz everytime we touch, I feel the static And everytime we kiss i reach for the sky Can't you hear my heart beat so, I can't let you go Want you in my life

Your arms are my castle, your heart is my sky They wipe away tears that i cry The good and bad times We've been through them all, You make me rise when i fall

Cuz everytime we touch, I get this feeling And everytime we kiss i swear i could fly Can't you feel my heart beat fast, I wan't this to last, need you by my side Cuz everytime we touch, I feel this static And everytime we kiss i reach for the sky Can't you hear my heart beat so, I can't let you go want you in my life

Cuz everytime we touch,

I get this feeling And everytime we kiss i swear i could fly Can't you feel my heart beat fast, I wan't this to last, need you by my side
