

Father And Son – Cat Stevens

It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know
Find a girl, settle down
If you want you can marry
Look at me, I am old but I'm happy
I was once like you are now and I know that
It's not easy
To be calm when you've found something
Going on
But take your time, think a lot
Think of everything you've got
For you will still be here tomorrow but
Your dreams may not
Oh, how can I try to explain?
'Cause when I do he turns away again
It's always been the same, same old story
From the moment I could talk I was ordered
To listen
Now there's a way and I know that I have
To go away
I know I have to go
It's not time to make a change
Just sit down, take it slowly
You're still young, that's your fault
There's so much you have to go through
Find a girl, settle down
If you want you can marry
Look at me, I am old but I am happy
All the times that I've cried
Keepin' all the things I knew inside
It's hard but it's harder to ignore it
If they were right I'd agree
But it's them they know, not me
Now there's a way and I know that

I have to go away
I know I have to go
