## Father And Son – Cat Stevens

It's not time to make a change Just relax, take it easy You're still young, that's your fault There's so much you have to know Find a girl, settle down If you want you can marry Look at me, I am old but I'm happy I was once like you are now and I know that It's not easy To be calm when you've found something Going on But take your time, think a lot Think of everything you've got For you will still be here tomorrow but Your dreams may not Oh, how can I try to explain? 'Cause when I do he turns away again It's always been the same, same old story From the moment I could talk I was ordered To listen Now there's a way and I know that I have To go away I know I have to go It's not time to make a change Just sit down, take it slowly You're still young, that's your fault There's so much you have to go through Find a girl, settle down If you want you can marry Look at me, I am old but I am happy All the times that I've cried Keepin' all the things I knew inside It's hard but it's harder to ignore it If they were right I'd agree But it's them they know, not me Now there's a way and I know that
