

Heaven and Hell – CC Catch

Heaven can be cold
Baby,baby when you lose control
Everybody needs someone to love
Be careful in the night!
He can't hurt you more
Baby,baby as he did before
Come on baby keep your hands off him
In the Gipsy night
It will come and go - everybody knows
You make your own heaven and hell
Daytime lovers love for sale
You make your own heaven and hell
Letters (full of tears) will tell
He takes your heart - I know him well
You've got no time to lose
For heaven and hell
Behind a painted smile
Baby, baby he is running wild
Everybody needs some love tonight
Be careful in the night!
He don't wanna lose -
Baby, baby it's a simply news
Come on baby keep your hands off him
In the Gipsy night!
It will come and go - everybody knows
You make your own heaven and hell
Daytime lovers love for sale
You make your own heaven and hell
Letters (full of tears) will tell
He takes your heart - I know him well
You've got no time to lose
For heaven and hell
You make your own heaven and hell
Daytime lovers love for sale
You make your own heaven and hell
Letters (full of tears) will tell

He takes your heart - I know him well
You've got no time to lose
For heaven and hell
For heaven and hell!
For heaven and hell!
For heaven and hell!
