

Heaven and Hell – CC Catch

Heaven can be cold,
Baby, baby, when you lose control
Everybody needs someone to love
Be careful in the night !
He can hurt you more
Baby, baby, as he did before
Come on baby, keep your hands off him
In the gypsy night !
It will come and go
Everybody knows

You make your own - heaven and hell
Daytime lovers, love for sale
You make your own - heaven and hell
Letters full of tears will tell
He takes your heart - I know him well
You've got no time to lose
For heaven and hell !

Behind the painted smile
Baby, baby, he is running wild
Everybody needs some love tonight
Be careful in the night !
You don't wanna lose
Baby, baby, it's a simply news
Come on, baby, keep your hands off him
In the gypsy night !
It will come and go
Everybody knows

You make your own - heaven and hell
Daytime lovers, love for sale
You make your own - heaven and hell
Letters full of tears will tell
He takes your heart - I know him well
You've got no time to lose
