

# You Can Be My Lucky Star Tonight – c.c.catch

You can be my lucky star tonight  
Baby, keep the fire burning bright  
Never say never  
When you're young and in love  
Never mean anyone  
Are you still dreaming?  
Oh, nothing can change when your love is gone  
Be young, be foolish tonight  
But never behave like a child  
You can be my lucky star tonight (tonight,  
Tonight)  
Baby, keep the fire burning bright  
(tonight, tonight)  
If you win this time my heart (my heart)  
We can make a brand new start (new start)  
You can be my lucky star tonight  
(tonight, tonight)  
Baby, come on take me through the night  
(tonight, tonight)  
Never say never  
There were times in your life  
You've been wondering why  
Are you still dreaming?  
I'll give you a reason to start a new try  
How can I live without love?  
You are the one I'm dreaming of  
You can be my lucky star tonight  
(tonight, tonight)  
Baby, keep the fire burning bright  
(tonight, tonight)  
If you win this time my heart (my heart)  
We can make a brand new start (new start)  
You can be my lucky star tonight (tonight,

Baby, come on take me through the night  
(tonight, tonight)
