My life is going on - Cecilia Krull

If I stay with you, if I'm choosing wrong I don't care at all If I'm losing now, but I'm winning late That's all I want Now we need some space, 'cause I feel for you And I wanna change Growing up alone, it seems so short I can't explain Whatever happens in the future, trust in destiny Don't try to make anything else even when you feel I don't care at all I am lost I don't care at all Lost my time, my life is going on I will be so strong, Looking for a new version of myself Cause now all I want is to be a part of my new world Whatever happens in the future, trust in destiny Don't try to make anything else even when you feel I don't care at all I am lost I don't care at all Why not have it all I am lost I don't care at all
