

# I surrender – Celine Dion

There's so much life I've left to live  
And this fire burning still  
When I watch you look at me  
I think I could find the will  
To stand for every dream  
And forsake this solid ground  
And give up this fear within  
Of what would happen if they ever knew  
I'm in love with you  
'Cause I'd surrender everything  
To feel the Chance to live again  
I reach to you  
I know you can feel it too  
We'd make it through  
A thousand dreams I still believe  
I'd make you give them all to me  
I'd hold you in my arms and never let go  
I surrender  
I know I can't survive  
Another night away from you  
You're the reason I go on  
And now I need to live the truth  
Right now, there's no better time  
From this fear I will break free  
And I'll live again with love  
And no they can't take that away from me  
And they will see  
'Cause I'd surrender everything  
To feel the Chance to live again  
I reach to you  
I know you can feel it too  
We'd make it through  
A thousand dreams I still believe  
I'd make you give them all to me  
I'd hold you in my arms and never let go  
I surrender

Every night's getting longer  
And this fire is getting stronger, babe  
I'll swallow my pride and I'll be alive  
Did you hear my call  
I surrender all  
'Cause I'd surrender everything  
To feel the Chance to live again  
I reach to you  
I know you can feel it too  
We'd make it through  
A thousand dreams I still believe  
I'd make you give them all to me  
I'd hold you in my arms and never let go  
I surrender  
Right here, right now  
I give my life to live again  
I'll break free, take me  
My everything, I surrender all to you  
Right here, right now  
I give my life to live again  
I'll break free, take me  
My everything, I surrender all to you
