

# Loved me back to life – Celine Dion

I was walking dead stuck inside my head  
I couldn't get out  
Turn the lights down  
The voices inside were so loud  
Need a jump-start, catatonia  
I couldn't feel,  
I wish that I could disappear  
The voices inside were so real  
But you stood by my side  
Night after night, night after night  
You loved me back to life, life  
From the coma,  
The wait is over  
You loved me back to life, life  
From the coma,  
We're lovers again tonight  
Back to life, back to life  
Back to life, back to life, yeah  
You woke me up, one touch and I felt alive  
You loved me back to life  
Back to life, thought I died  
The voices inside were so quiet  
But you stood by my side  
Night after night, night after night  
You loved me back to life, life  
From the coma,  
The wait is over  
You loved me back to life, life  
From the coma,  
We're lovers again tonight  
Strong hands, thick skin and an open heart  
You saw through the pain,  
saw through the mask  
You never gave up on me, yeah  
Life, life  
From the coma,

The wait is over  
You loved me back to life, life  
From the coma,  
We're lovers again tonight  
Back to life, back to life  
Back to life, back to life  
Back to life, back to life  
Back to life, back to life  
Yeah
