

Think twice – Celine Dion

Don't think I can't feel there's something wrong
You've been the sweetest part of my life so long
I look in your eyes, there's a distant light
And you and I know there'll be a storm tonight
This is getting serious
Are you thinking 'bout you or us?

Don't say what you're about to say
Look back before you leave my life
Be sure before you close that door
Before you roll those dice
Baby, think twice

Baby, think twice for the sake of our love, for the memory
For the fire and the faith that was you and me
Babe, I know it ain't easy
When your soul cries out for a higher ground
'Cause when you're halfway up, you're always halfway down
But baby this is serious
Are you thinking 'bout you or us?

Don't say what you're about to say
Look back before you leave my life
Be sure before you close that door
Before you roll those dice
Baby, think twice

[Instrumental part]

Baby, this is serious (this is serious)
Are you thinking 'bout you or us?
Baby

Don't say what you're about to say
(No no no no)
Look back before you leave my life

(Don't leave my life)

Be sure before you close that door

Before you roll those dice

(Baby, think twice)

Don't do what you're about to do

My everything depends on you

(I depend on you)

And whatever it takes, I'll sacrifice

Before you roll those dice
