

Where Does My Heart Beat Now – Celine Dion

So much to believe in
We were lost in time
Everything I needed
Felt into your eyes
Always thought of keeping
Your heart next to mine
But now that seems so far away
Don't know how love could leave without
A trace
Where do silent hearts go?
Where does my heart beat now?
Where is the sound
That only echoes through the night?
Where does my heart beat now?
I can't live without
Without feeling it inside
Where do all the lonely hearts go?
Candle in the water
Drifting helplessly
Hiding from the thunder
Come and rescue me
Driven by the hunger of the endless dream
I'm searching for the hand that I can hold
I'm reaching for the arms that let me know
Where do silent hearts go?
Where does my heart beat now?
Where is the sound
That only echoes through the night?
Where does my heart beat now?
I can't live without
Without feeling it inside
Where do all the lonely hearts go?
Where do all the lonely hearts go?
And when one touch
Overcomes the silence
Love still survives

Two hearts needing one another
Give me wings to fly
Where does my heart beat now?
Where is the sound
That only echoes through the night?
Where does my heart beat now?
I can't live without
Without feeling it inside
I need someone
To give my heart to
I feel it getting stronger and stronger
And stronger
The feeling lives inside
Hearts are made to last
Till the end of time
