

Labirynt – CG5

It's a bright new day
And it's your time to shine
Time to take
Your career into your own hands
Spend all your money
And the stars they will align
'Cuz you've become
A part of Freddy's band
Just be careful about what you buy
You never know what's hiding inside
But we can't prove anything, no
So make sure you take
All responsibility
For whatever your new business plan will bring
It's closing time
Gotta clean up all the messes that were made
Order supplies, and advertise
Wait, I hear voices on every side
And I wonder where
And I wonder why
Where do they hide?
I'm sorry, you've been misinformed
This is just a never ending labyrinth and nothing more
Endless circles of fear
Chasing cries of children that seem so near
Out of reach
You will never find them
Don't you see
This is where your story ends
Closing time
We're gathered here together just to play
All these souls
In one place
And this gift we appreciate
Come together, friends
We'll take them off your hands

Don't try to defend
Forget the money that you've spent
We will be complete
Your job is obsolete
We can now do what we were created to do
Father, I will make you proud
I'm sorry, you've been misinformed
This is just a never ending labyrinth and nothing more
Endless circles of fear
Chasing cries of children that seem so near
Out of reach
You will never find them
Oh!
Don't you see
This is where your story ends
This is where your story ends
This is where it ends!
This is where it ends!
You will never find them!
Oh!
Don't you see
This is where your story ends!
It's a bright new day
And it's your time to shine
Thank you for all you've done
