

Angel – Chaka Khan

Troubled little angel
Inconsistent flying blind most of the time
Drama queen
Preening and untangling
The feathers in her wings
Captured by her dreams
Desperately she sings
Needy little baby
Open up your heart
Don't you think it's bad to feel
Needy little baby
Hiding deep inside
Don't you know your love can heal
Troubled little angel
Inconsistent flying blind most of the time
Don't know who to be
Always rearranging the wreckage of her life
Ever holding tight
To the hope that she'll be free
Needy little baby
Open up your eyes
Don't you be afraid to feel
Needy little Baby
Hiding deep inside
Don't you know that love can heal
Talking to you Angel Angel
Deep inside of me
Talking to you Angel Angel
One day you'll be free
Angel Angel
Deep inside of me
Angel Angel
One day you'll be free
One day you'll open your wings
One day you'll fly
