

Boom Clap – Charli XCX

Boom, boom, boom, clap
You're picture-perfect blue
Sunbathing under the moon
Stars shining as your bones illuminate
First kiss just like a drug
Under your influence
You take me over,
You're the magic in my veins
This must be love
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
No silver or no gold
Could dress me up so good
You're the glitter in the darkness of my
World
Just tell me what to do
I'll fall right into you
We're going under cast the spell, just say
The word
I feel your love
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
Like you are the light and I will follow
You let me lose my shadow

You are the sun, the glowing halo
And you keep burning me up with all your
Love, uh
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
Boom clap, the sound of my heart
The beat goes on and on and on and on and
Boom clap, you make me feel good
Come on to me, come on to me now
