

# Unsaid Emily – Charlie Gillespie, Owen Joyner, Jeremy Shada

First things first  
We start the scene in reverse  
All of the lines rehearsed  
Disappeared from my mind  
When things got loud  
One of us running out  
I should've turned around  
But I had too much pride  
No time for goodbyes  
Didn't get to apologize  
Pieces of a clock that lies broken  
If I could take us back,  
If I could just do that  
And write in every empty space the words  
"I love you" in replace  
Then maybe time would not erase me  
If you could only know I'd never let you go  
And the words I most regret are the ones  
I never meant to leave  
Unsaid Emily  
Silent days, mysteries and mistakes  
Who'd be the first to break?  
Guess we're alike that way  
He said, she said  
Conversations in my head  
And that's just where they're gonna stay  
Forever  
If I could take us back,  
If I could just do that  
And write in every empty space the words  
"I love you" in replace  
Then maybe time would not erase me  
If you could only know  
I'd never let you go  
And the words I most regret are the ones

I never meant to leave  
Unsaid Emily  
If I could take us back,  
If I could just do that  
And write in every empty space the words  
"I love you" in replace  
Then maybe time would not erase me  
If you could only know I'd never let you go  
And the words I most regret are the ones  
I never meant to leave  
Unsaid Emily
