

Unsaid Emily – Charlie Gillespie, Owen Joyner, Jeremy Shada

First things first
We start the scene in reverse
All of the lines rehearsed
Disappeared from my mind
When things got loud
One of us running out
I should've turned around
But I had too much pride
No time for goodbyes
Didn't get to apologize
Pieces of a clock that lies broken
If I could take us back,
If I could just do that
And write in every empty space the words
"I love you" in replace
Then maybe time would not erase me
If you could only know I'd never let you go
And the words I most regret are the ones
I never meant to leave
Unsaid Emily
Silent days, mysteries and mistakes
Who'd be the first to break?
Guess we're alike that way
He said, she said
Conversations in my head
And that's just where they're gonna stay
Forever
If I could take us back,
If I could just do that
And write in every empty space the words
"I love you" in replace
Then maybe time would not erase me
If you could only know
I'd never let you go
And the words I most regret are the ones

I never meant to leave
Unsaid Emily
If I could take us back,
If I could just do that
And write in every empty space the words
"I love you" in replace
Then maybe time would not erase me
If you could only know I'd never let you go
And the words I most regret are the ones
I never meant to leave
Unsaid Emily
