Unsaid Emily – Charlie Gillespie, Owen Joyner, Jeremy Shada

First things first We start the scene in reverse All of the lines rehearsed Disappeared from my mind When things got loud One of us running out I should've turned around But I had too much pride No time for goodbyes Didn't get to apologize Pieces of a clock that lies broken If I could take us back, If I could just do that And write in every empty space the words "I love you" in replace Then maybe time would not erase me If you could only know I'd never let you go And the words I most regret are the ones I never meant to leave **Unsaid Emily** Silent days, mysteries and mistakes Who'd be the first to break? Guess we're alike that way He said, she said Conversations in my head And that's just where they're gonna stay Forever If I could take us back, If I could just do that And write in every empty space the words "I love you" in replace Then maybe time would not erase me If you could only know I'd never let you go

And the words I most regret are the ones

I never meant to leave
Unsaid Emily
If I could take us back,
If I could just do that
And write in every empty space the words
"I love you" in replace
Then maybe time would not erase me
If you could only know I'd never let you go
And the words I most regret are the ones
I never meant to leave
Unsaid Emily
