

# See You Again (no RAP version) – Charlie Puth

It's been a long day without you my friend,  
And I'll tell you all about it  
When I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it  
When I see you again  
Why do you have to leave so soon?  
Why do you have to go?  
Why do you have to leave me  
When I needed you the most?  
Cause I don't really know how to tell ya  
Without feeling much worse  
I know you're in a better place  
And it's always gonna hurt  
Carry on, give me all the strength I need  
To carry on  
It's been a long day without you my friend,  
And I'll tell you all about it  
When I see you again  
We've come a long way from where we began  
Oh I'll tell you all about it  
When I see you again  
How do I breath without ya?  
Feeling so cold  
I'll be waiting right here for ya  
Till the day you're home  
Carry on, give me all the strength I need  
To carry on  
So let the light guide your way,  
Hold every memory as you go  
And every road you take  
Will always lead you home  
It's been a long day without you my friend,  
And I'll tell you all about it  
When I see you again  
We've come a long way from where we began

Oh I'll tell you all about it  
When I see you again, when I see you again
