Behind Closed Doors - Charlie Rich

My baby makes me proud Lord, don't she make me proud She never makes a scene By hangin' all over me in a crowd

'Cause people like to talk Lord, don't they love to talk But when they turn out the lights I know she'll be leavin' with me

And when we get behind closed doors
Then she lets her hair hang down
And she makes me glad that I'm a man
Oh, no one knows what goes on behind closed doors

My baby makes me smile Lord, don't she make me smile She's never far away Or too tired to say "I want you"

She's always a lady Just like a lady should be But when they turn out the lights She's still a baby to me

'Cause when we get behind closed doors
Then she lets her hair hang down
And she makes me glad I'm a man
Oh, no one knows what goes on behind closed doors
Behind closed doors
