## Believe - Cher

After love, after love No matter how hard I try You keep pushing me aside And I can't break through There's no talking to you It's so sad that you're leaving It takes time to believe it But after all is said and done You're gonna be the lonely one, oh Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no What am I supposed to do? Sit around and wait for you? Well, I can't do that And there's no turning back I need time to move on I need a love to feel strong 'Cause I've had time to think it through And maybe I'm too good for you, oh Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no Well, I know that I'll get through this

'Cause I know that I am strong

And I don't need you anymore I don't need you anymore Oh, I don't need you anymore No, I don't need you anymore Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no Do you believe in life after love? I can feel something inside me say I really don't think you're strong enough, no
