

It's in his kiss (The shoop shoop song) – Cher

Does he love me I wanna know
How can I tell if he loves me so?
Oh no you'll be deceived
Oh no he'll make believe
If you wanna know if he loves you so it's in his kiss

Oh no it's just his charms
Oh no that's just his arms
If you wanna know If he loves you so It's in his kiss
Woh-oh it's in his kiss

Woh-oh-oh hug him
And squeeze him tight
Find out what you wannna know
If it's love
If it really is
It's there in his kiss
Oh no that's not the way
And you're not listening to all I say
If you wanna know If he loves you so It's in his kiss
Woh-oh it's in his kiss

Woh-oh-oh hug him
And squeeze him tight
Find out what you wannna know
If it's love
If it really is
It's there in his kiss
Oh no that's not the way
And you're not listening to all I say
If you wanna know If he loves you so It's in his kiss
Woh-oh it's in his kiss

Oh yeah it's in his kiss (that's where it is),
Ooh it's in his kiss (that's where it is)
Ooh it's in his kiss (that's where it is)
