

# Strong Enough – Cher

I don't need your sympathy  
There's nothing you can say or do for me  
And I don't want a miracle  
You'll never change for no one

I hear your reasons why  
Where did you sleep last night?  
And was she worth it was she worth it?

'Cos I'm strong enough to live without you  
Strong enough and I quit crying  
Long enough now I'm strong enough  
To know you gotta go

There's no more to say  
So, save your breath  
And then walk away  
No matter what I hear you say  
I'm strong enough to know you gotta go

So, you feel misunderstood  
Baby, have I got news for you  
On being used, I could write the book  
What you don't wanna hear about it

I've been losing sleep  
You've been going cheap  
She ain't worth half of me it's true  
Now I'm telling you

Now I'm strong enough to live without you  
Strong enough and I quit crying  
Long enough now I'm strong enough  
To know you've got to go

Come hell or waters high

You'll never see me cry  
This is our last goodbye, it's true  
I'm telling you  
'Cos I'm strong enough to live without you  
Strong enough and I quit crying  
Long enough now I'm strong enough  
To know you gotta go  
There's no more to say  
So, save your breath  
And then walk away  
No matter what I hear you say  
I'm strong enough to know you gotta go  
'Cos I'm strong enough to live without you  
Strong enough and I quit crying  
Long enough now I'm strong enough  
To know you gotta go  
There's no more to say  
So, save your breath  
And then walk away  
No matter what I hear you say  
I'm strong enough to know you gotta go
