

Strong Enough – Cher

I don't need your sympathy
There's nothing you can say or do for me
And I don't want a miracle
You'll never change for no one

I hear your reasons why
Where did you sleep last night?
And was she worth it was she worth it?

'Cos I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you gotta go

There's no more to say
So, save your breath
And then walk away
No matter what I hear you say
I'm strong enough to know you gotta go

So, you feel misunderstood
Baby, have I got news for you
On being used, I could write the book
What you don't wanna hear about it

I've been losing sleep
You've been going cheap
She ain't worth half of me it's true
Now I'm telling you

Now I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you've got to go

Come hell or waters high

You'll never see me cry
This is our last goodbye, it's true
I'm telling you
'Cos I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you gotta go
There's no more to say
So, save your breath
And then walk away
No matter what I hear you say
I'm strong enough to know you gotta go
'Cos I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you gotta go
There's no more to say
So, save your breath
And then walk away
No matter what I hear you say
I'm strong enough to know you gotta go
