## Lady in red - Chris De Burgh

I've never seen you looking so lovely

As you did tonight

I've never seen you shine so bright

I've never seen so many men

Ask you if you wanted to dance

Looking for a little romance

Given half the chance

I have never seen that dress you're wearing

Or the highlights in your hair

That catch your eyes

I have been blind

Lady in red

Is dancing with me

Cheek to cheek

There's nobody here

Just you and me

It's where I wanna be

I hardly know

This beauty by my side

I'll never forget

The way you look tonight

I've never seen you looking so gorgeous

As you did tonight

I've never seen you shine so bright

You were amazing

I've never seen so many people

Want to be there by your side

And when you turned to me and smiled

You took my breath away

I have never had such a feeling

Such a feeling of complete and utter love

As I do tonight

Lady in red

Is dancing with me

Cheek to cheek

There's nobody here

Just you and me
It's where I wanna be
I hardly know
This beauty by my side
I'll never forget
The way you look tonight
I never will forget
The way you look tonight
Lady in red
Lady in red
Lady in red
I love you
