## Wicked Game – Chris Isaak

The world was on fire and no one could save me but you It's strange what desire will make foolish people do I never dreamed that I'd meet somebody like you And I never dreamed that I'd lose somebody like you No, I don't wanna fall in love No, I don't wanna fall in love With you With you What a wicked game to play To make me feel this way What a wicked thing to do To let me dream of you What a wicked thing to say You never felt this way What a wicked thing to do To make me dream of you and I don't wanna fall in love No, I don't wanna fall in love With you The world was on fire and no one could save me but you It's strange what desire will make foolish people do I never dreamed that I'd meet somebody like you And I never dreamed that I'd lose somebody like you No, I don't wanna fall in love No, I don't wanna fall in love With you
