

Come on over – Christina Aguilera

C'mon over, c'mon over, baby (X4)

Hey, boy, don't you know
I've got something going on
I've got an invitation
Don't you keep me waiting all night long
I know, you know, so baby don't
Pretend you won't
Keep me guessing if ya
You will, you won't
Don't wanna play a
Game, with you baby

All I want is you
Come over here baby
All I want is you
You know you make me go crazy
All I want is you
Now baby don't be shy
You better cross the line
I wanna love you right, cuz
All I want is you!

C'mon over, c'mon over, baby (X4)

I'm not just talkin',o,
About your sexuality (Your sexuality)
But I can't help myself when you put your hands on me
Is paradise, when you and I
Get close, get tight
Go on all night
I wanna play a game, with you baby
Listen to me!

All I want is you
Come over here baby

All I want is you
You know you make me go crazy
All I want is you
Now baby don't be shy
You better cross the line
I wanna love you right, cuz
All I want is you!

C'mon over, c'mon over, baby (X4)
Don't you wanna be the one tonight
We could exactly whatcha like
Don't you wanna be just you and me
Make it till it comes naturally

Now baby don't be shy
You better cross the line
I wanna love you right, cuz
All I want is you!

All I want is you
Oh, You know you make me go crazy
All I want is you
Now baby don't be shy
You better cross the line
I'm gonna love you right
Cause ALL I WANT IS YOU!!
