

# Fall in line – Christina Aguilera

Little girls  
Listen closely  
Cause no one told me  
But you deserve to know  
That in this world  
You are not beholder  
You do not owe them  
Your body and your soul

All the youth in the world  
Will not save you  
From growing older  
And all the truth  
In the girl is  
Too precious  
To be stolen

It's just the way  
It is  
Maybe it's never gonna change  
But I got a mind  
To show my strength  
And I got a right to speak my mind  
And I am gonna pay for this  
They're gonna burn me at the stake  
But I got a fire in my veins  
I wasn't made to fall in line  
No, I wasn't made to fall in line

Show some skin  
Make him want you  
Cos God forbid you  
Know your own way home  
Ask yourself  
Why it matters  
Who it flatters

You're more than flesh and bones

All the youth in the world  
Will not save you  
From growing older  
And all the truth  
In the girl is  
Too precious  
To be stolen from her

It's just the way  
It is  
Maybe it's never gonna change  
But I got a mind  
To show my strength  
And I got a right to speak my mind  
And I am gonna pay for this  
They're gonna burn me at the stake  
But I got a fire in my veins  
I wasn't made to fall in line  
No, I wasn't made to fall in line

March two three  
Shout your mouth  
Stick your ass out for me  
March two three  
Who told you're allowed to think  
Yea two three  
One two three  
Shout your mouth  
Stick your ass out for me  
March two three  
Who told you're allowed to think

It's just the way  
It is  
Maybe it's never gonna change  
But I got a mind  
To show my strength  
And I got a right to speak my mind

And I am gonna pay for this  
They're gonna burn me at the stake  
But I got a fire in my veins  
I wasn't made to fall in line  
No, I wasn't made to fall in line
