

Genie in a bottle – Christina Aguilera

Come on, come on
Ohh, whow x2

I feel like I've been locked up tight
For a century of lonely nights
Waiting for someone to release me
You're licking your lips and blowing kisses my way
But that don't mean I'm gonna give it away
Baby, baby, baby (baby, baby, baby)

Ooohhh, my body's saying let's go
Ooohhh, but my heart is saying no, no

If you wanna be with me
Baby there's a price you pay
I'm a genie in a bottle
You gotta rub me the right way
If you wanna be with me
I can make your wish come true
You gotta make a big impression (oh yeah)
Gotta like what you do

I'm a genie in a bottle baby
Gotta rub me the right way, honey
I'm a genie in a bottle baby
Come, come, come on and let me out

The music's fading and the lights down low
Just one more dance and then we're good to go
Waiting for someone who needs me
Hormones racing at the speed of light
But that don't mean it's gotta be tonight
Baby, baby, baby (baby, baby, baby)

Ooohhh, my body's saying let's go
Ooohhh, but my heart is saying no

(But my heart is saying no)

If you wanna be with me

Baby there's a price to pay

I'm a genie in a bottle (I'm a genie in a bottle)

You gotta rub me the right way

If you wanna be with me (ohh)

I can make your wish come true (your wish come true ohh)

Just come and set me free baby

And I'll be with you

I'm a genie in a bottle baby

Gotta rub me the right way, honey

I'm a genie in a bottle baby

Come, come, come on and let me out

I'm a genie in a bottle baby

Gotta rub me the right way, honey

(If you wanna be with me)

I'm a genie in a bottle baby

Come, come, come on and let me out

Ooohhh, my body's saying let's go

Ooohhh, but my heart is saying no, no

If you wanna be with me

Baby there's a price to pay

I'm a genie in a bottle (I'm a genie in a bottle)

You gotta rub me the right way

If you wanna be with me

I can make your wish come true

You gotta make a big impression

Gotta like what you do

If you wanna be with me

Baby there's a price to pay

I'm a genie in a bottle (In a bottle baby)
