

# Mercy On Me – Christina Aguilera

Ohh yeah

Jesus, I must confess  
That in all my loneliness  
I've forsaken and I've sinned  
Leaving fragments of a man so broken

I could tell you what I've done  
Or should I tell you where I went wrong?

Well the more that I start to play  
My deceitful, evil ways  
Keep on growing stronger by the day

Oh lord have mercy on my soul  
For I have walked a sinful road  
So I'm gonna get down on my knees  
Beg forgiveness to help set me free  
Lord have mercy on me, please

Mother Mary full of grace  
In my weakness, I've lost faith  
I've been careless, and I have been warned  
And the devil inside me is torn  
God bless the men that I have scorned

Oh lord have mercy on my soul  
For I have walked the sinful road  
So I'm gonna get down on my knees  
Beg forgiveness to help set me free  
Lord have mercy on me, please

Woah, woaa yeah yeah  
Woa yeah yeah oh oh  
Oh-oh yeah yeah yeah, ohh

So don't let me fool around no more  
Send your angels down to guide me through that door  
Well I've gone and confessed my regrets  
And I pray I'm not held in contempt  
I'm so lost, and I need you to help me repent

Oh lord have mercy on my soul  
Oh I'm begging, I'm pleading, I'm needing  
I want you to know  
So I'm down upon my knees  
Oh lord, I need forgiveness  
I need forgiveness from you
