

Walk Away – Christina Aguilera

What do you do when you know something's bad for you
And you still can't let go?

I was naïve
Your love was like candy
Artificially sweet
I was deceived by the wrapping

Got caught in your web
And I learned how to bleed
I was prey in your bed
And devoured completely

Oh and it hurts my soul
,Cos I can't let go
All these walls are caving in
I can't stop my suffering
I hate to show that I've lost control
Cause I, I keep going right back
To the one thing that I need to walk away from, yeah

I should have known
I was used for amusement
Couldn't see through the smoke
It was all an illusion

Now I've been licking my wounds (licking my wounds)
But the venom seeps deeper (deeper, deeper)
We both can seduce but
Darling you hold me prisoner (prisoner)

Oh, I'm about to break
I can't stop this ache
I'm addicted to your allure
And I'm fiending for a cure
Every step I take

Leads to one mistake
I keep going right back
To the one thing that I need, oh
I'm can't mend
This sorry state I'm in
Getting nothing in return
What did I do to deserve
The pain of this slow burn
And everywhere I turn
I keep going right back
To the one thing that I need to walk away from

Every time I try to grasp for air
I get smothered in despair, it's never over, over oh
Seems I'll never awake from this nightmare
I let out a silent pray let it be over, over, ooh
Inside I'm screaming
Begging, pleading no more (ah, ah)

Now what to do
My heart has been bruised
So sad, but it's true
Each beat reminds me of you

It hurts my soul
Cos I can't let go
All these walls are caving in
I can't stop my suffering
I hate to show that I lost control
Cos I, I keep going right back
To the one thing that I need oh

I'm about to break
I can't stop this ache
I'm addicted to your allure
And I'm fiending for a cure, uh
Every step I take
Leads to one mistake
I keep going right back
To the one thing that I need, oh

I'm can't mend
This sorry state I'm in
Getting nothing in return
What did I do to deserve
The pain of this slow burn
And everywhere I turn
I keep going right back
To the one thing that I need to walk away from

Only thing I need to do is walk away
Walk away
