## Human - Christina Perri

I can hold my breath

I can bite my tongue

I can stay awake for days

If that's what you want

Be your number one

I can fake a smile

I can force a laugh

I can dance and play the part

If that's what you ask

Give you all I am

I can do it

I can do it

I can do it

But I'm only human

And I bleed when I fall down

I'm only human

And I crash and I break down

Your words in my head, knives in my heart

You build me up and then I fall apart

'Cause I'm only human, yeah

I can turn it on

Be a good machine

I can hold the weight of worlds

If that's what you need

Be your everything

I can do it

I can do it

I'll get through it

But I'm only human

And I bleed when I fall down

I'm only human

And I crash and I break down

Your words in my head, knives in my heart

You build me up and then I fall apart

'Cause I'm only human, yeah

I'm only human

I'm only human
Just a little human
I can take so much
Until I've had enough
'Cause I'm only human
And I bleed when I fall down
I'm only human
And I crash and I break down
Your words in my head, knives in my heart
You build me up and then I fall apart
'Cause I'm only human, yeah
