

Flaming Hot Cheetos – Clairo

Tu-tu-ru-ru-tu

Tu-ru-ru-tu-tu-tu

Sometimes I feel like I just wanna go back

To my old ways

You're telling me I'm silly,

It's no fun in the old days

I'm such a romantic,

I never remember how things really happen

I guess you're attractive or something

Live in the moment,

That's what they told me

But what ever happened

To when you would hold me

And hold me, and hold me

Girlfriend or girl, that's a friend?

It's easy just to pretend

That we don't have something real,

It's just how we feel

We feel

Oh, it's just how we feel

How we feel

I'm feeling something right

I'm feeling something right

I'm feeling something right

I'm feeling something right

I'm feeling something right

I'm feeling something right

I wanna be the one

You think about at night

And I wanna be the one

That you would put up a fight for

You know that I adore,

That even when you're bored
I'd buy you anything and everything
I can't afford
