

The Young Ones – Cliff Richard

The young ones,
Darling we're the young ones,
And young ones
Shouldn't be afraid
To live, Love
While the flame is strong,
For we won't be the young ones very long
Tomorrow,
Why wait till tomorrow,
Tomorrow sometimes never comes
Love, me,
There's a song to be sung
And the best time
Is to sing while we're young
Once in every lifetime
Comes a love like this
I need you And you need me
Oh my darling can't you see
Young dreams
Should be dreamed together,
Young hearts shouldn't be afraid
And some day
When the years have flown
Darling, this will
Teach the young ones of our own
(muzyka)
Once in every lifetime
Comes a love like this
I need you And you need me
Oh my darling can't you see
Young dreams
Should be dreamed together,
Young hearts shouldn't be afraid
And some day
When the years have flown

Darling, this will
Teach the young ones of our own
