

# The Young Ones – Cliff Richard

The young ones,  
Darling we're the young ones,  
And young ones  
Shouldn't be afraid  
To live, Love  
While the flame is strong,  
For we won't be the young ones very long  
Tomorrow,  
Why wait till tomorrow,  
Tomorrow sometimes never comes  
Love, me,  
There's a song to be sung  
And the best time  
Is to sing while we're young  
Once in every lifetime  
Comes a love like this  
I need you And you need me  
Oh my darling can't you see  
Young dreams  
Should be dreamed together,  
Young hearts shouldn't be afraid  
And some day  
When the years have flown  
Darling, this will  
Teach the young ones of our own  
(muzyka)  
Once in every lifetime  
Comes a love like this  
I need you And you need me  
Oh my darling can't you see  
Young dreams  
Should be dreamed together,  
Young hearts shouldn't be afraid  
And some day  
When the years have flown

Darling, this will  
Teach the young ones of our own
