

# Always in my head – Coldplay

I think of you  
I haven't slept  
I think, I do  
But, I don't forget  
My body moves  
Goes where I will  
But though I try my heart stays still  
It never moves  
Just won't be led  
And so my mouth waters, to be fed  
And you're always in my head  
You're always in my head  
You're always in my head  
You're always in my head  
You're always in my head  
Always in my head  
Always in my  
This, I guess  
Is to tell you, you're chosen  
Out from the rest
