

# Paradise – Coldplay

When she was just a girl  
She expected the world  
But it flew away from her reach  
So she ran away in her sleep

And dreamed of para-para-paradise  
Para-para-paradise  
Para-para-paradise  
Every time she closed her eyes

When she was just a girl  
She expected the world  
But it flew away from her reach  
And the bullets catch in her teeth

Life goes on, it gets so heavy  
The wheel breaks the butterfly  
Every tear a waterfall, in the night the stormy night  
She closed her eyes  
In the night the stormy night, away she'd fly

And dream of para-para-paradise  
Para-para-paradise  
Para-para-paradise

She dreamed of para-para-paradise  
Para-para-paradise  
Para-para-paradise

Still lying underneath the stormy skies  
She said oh-oh-oh  
I know the sun's set to rise

This could be para-para-paradise  
Para-para-paradise  
Para-para-paradise

This could be para-para-paradise  
Para-para-paradise  
Para-para-paradise

This could be para-para-paradise  
Para-para-paradise  
Para-para-paradise
