Trouble – Coldplay

Oh no, I see
A spider web is tangled up with me
And I lost my head
And thought of all the stupid things I'd said

Oh no what's this
A spider web and I'm caught in the middle
So I turn to run
And thought of all the stupid things I'd done

And I, I never meant to cause you trouble
And I, I never meant to do you wrong
And I, well if I ever caused you trouble
And oh no, I never meant to do you harm

Oh no, I see
A spider web and it's me in the middle
So I twist and turn
But here am I in my little bubble

Singing that I, I never meant to cause you trouble
And I, I never meant to do you wrong
And I, well if I ever caused you trouble
And oh no, I never meant to do you harm

They spun a web for me
They spun a web for me
They spun a web for me
